Cityside Subaru Chooses the Foundation for Belmont Education (FBE) as their Local Share the Love Charity for 9th YEAR!

For the 9th year, Cityside Subaru of Belmont has selected the Foundation for Belmont Education (FBE) to benefit from the *Subaru Share the Love* fundraiser. This national initiative by the car manufacturer has resulted in donations of more than $200 million to local charities across the U.S. *In eight years, Cityside Subaru has donated more than $130,000 to the FBE through the Subaru Share the Love program.* Thank you Cityside Subaru of Belmont!

WHAT IS SHARE THE LOVE?
Under the Subaru Share the Love program, consumers who purchase or lease a new vehicle between *November 17th* and *January 3rd* can select the Foundation for Belmont Education as their charity of choice. Subaru will then donate $250 to the FBE to support educational enrichment and innovation in Belmont's public schools.

NEW THIS YEAR!
Cityside Subaru has expanded their generosity, by donating $5 to the FBE **for every vehicle serviced** during the Share the Love event!

If you are in the market to purchase or lease a new car and want to help the Belmont Public schools in the process, please consider taking part in Cityside Subaru's *Share the Love* program. Together, Cityside Subaru and the Foundation for Belmont Education are making a difference in the Belmont Public Schools.
