What is Share the Love?

Under the Subaru Share the Love program, consumers who purchase or lease a new vehicle between mid November and early January can select the Foundation for Belmont Education as their charity of choice. Subaru will then donate \$250 to the FBE to support educational enrichment and innovation in Belmont's public schools. Cityside Subaru also expanded their generosity in 2021, by donating \$5 to the FBE for every vehicle serviced during the Share the Love event!
